Class Selector

Please select your class wisely. Consult your regular teacher if you are uncertain, and choose the class where you will be most comfortable, to maximize your own enjoyment and that of others.

Scottish Dancing in the Ballroom

Appropriate for dancers who are familiar with basic footwork and figures and who are interested in furthering their formation and recovery skills. Low pressure and relaxed, there will be a focus on the social aspects of good dancing.

Challenge Dancing

Suitable for dancers who are able to dance from a briefing (most of the time!) and who are interested in improving all aspects of technique – head to toe! May require sustained energy and mental focus.
